The Domo table screen is framed by an elegant bevel, which comes to its full right when the screens are combined with each other. The screens are available with both straight and rounded corners that all have a bevel inwards. Width between 800x2000 mm. Height 650 mm. The screen's sound-absorbing filling is mounted inside a solid wooden frame, which is covered with textiles that meets the requirements of Möbelfakta. The table fittings are made of polished aluminum.
