SOFA BEDS

# WELCOME

A sofa bed is a versatile and space-saving piece of furniture. Sofa at day and bed at night. It's perfect for small homes and tiny rooms, as it frees the space a bed would normally take up. It's also a great option for the guest room, where it provides your guests with a comfortable and good night's sleep.

The SOFTLINE sofa beds are just as stylish as our normal sofas. We go to great extents together with our designers to make sure that our sofa beds are aesthetically pleasing, while still prioritising functionality and comfort, to offer you a timeless sofa bed that can proudly be displayed in your home.

As our comprehensive collection shows, the sofa beds come in many shapes and sizes. Find one to match your interior and explore our fabric options that allow you to give your sofa bed a personal touch.
