## VONDOM

PASSION FOR DESIGN

Vondom´s challenge has been to inspire life in every piece, achieving a natural balance between the environment, shapes, and forms. This philosophy is transferred throughout our creations and our designer culture represents our key to success and a guideline in every step we take.

We introduce a series of corporate and institutional projects where the Vondom collections have managed to create a multidisciplinary work environment that stands out for its versatility and a modern and welcoming style.
